The age/grade ranges listed in the Course Descriptions are approximations; all registration information will be considered when placing students. Intermediate and advanced students are encouraged to submit a recording to assist with placement. Students in string groups will be notified of their placement in late June. STUDENT PORTAL

ORCHESTRA SEATING AUDITIONS

All string players in the Philharmonia and Sun Valley Youth Orchestra will have a seating audition the first day of classes. The auditions will be held during your technique class or sectionals on Monday. You will be asked to play an excerpt from the orchestra music that is chosen by your conductor and the audition team after the first rehearsal, so make sure you practice all of your music prior to the beginning of the program.

OPTIONAL CLASSES (Please refer to website for more information)

• Elective Courses

These classes are offered either before or after the regular classes. They are all optional. Please indicate which electives you would like to attend on your registration form. See the [Elective Course](#) sheet or website for more information. You will be placed in electives that best fit your skill level and schedule. **Electives are most appropriate for Middle-High and High School students at an intermediate or advanced level**

• Private Lessons

You may request a private lesson on your registration form. SVMF staff will match you up with an instructor for a lesson during the Institute week. If you select this option, you will receive a sheet in your check-in packet with your instructor and lessons time. Please note that these lessons are subject to the availability of the instructors and will be assigned on a first come first served basis. There are additional fees for private lessons. These fees are payable either when you register online or at check-in the first day of classes.

• Soloist Recital

Students will be selected for this performance by live audition held Monday afternoon (8/4) between 1:00-4:00. The performance will be Wednesday August 6 at 4:30. An accompanist will be available. This is a competitive audition and best suited for intermediate through advanced players. Age is less a factor than ability and preparedness. All pieces must be MEMORIZED and performance ready. Please mark your registration form to indicate that you want to audition, you will be contacted prior to the Institute to confirm the piece you will play. Preference is given to pieces in the classical genre. Musical Theater pieces are acceptable for vocal students

How should I submit work samples?

- Audio or video recordings are accepted
- You may insert links to YouTube or other online recordings in the boxes on your online registration form. (**preferred**)
- Alternately, you may email audio files to education@svmusicfestival.org (YouTube links may be emailed as well)
- Please submit audio files that are small enough to be easily transferred. We recommend MP3, MP4 or similar files. If work samples are too large to transmit, please compress them in a zip file or email each sample separately.
